Dear Sir:

In accordance with the provisions of 37 C.F.R. 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached form PTO-1449. It is respectfully requested that the documents be expressly considered during the prosecution of this application, and that the documents be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In general, this pending application and other applications and granted patents in the same portfolio were recently purchased through a transaction by a new owner. As part of the new owner's due diligence review of the portfolio prior to the purchase transaction, certain references were uncovered which may be relevant to this application.

Accordingly, out of an abundance of caution and in keeping with Applicants' obligation to bring possibly relevant material to the attention of the examiner in this pending application, Applicants cite such references in this IDS for the examiner's consideration.
